PRESENTATION TRAYS

A selection of presentation trays with different interior layouts to accommodate different jewellery items. These trays are perfect for presenting your product range of jewellery to your prospective customers and are proposed in three different sizes - small, medium and large.

The trays can be put together in varying combinations according to your needs and can be stored in a custom-made carrying case. Such a carrying case can be convenient for special presentation visits or for air travel where you may wish to have your jewellery collection as carry-on luggage; the case can be designed to fit in the overhead lockers.
